RESPONSE

This is in response to the Office Action dated March 17, 2005 and is being filed within the six-month statutory period for response. A petition for a three-month extension of time is enclosed. As the last day for taking action -- September 17, 2005 -- fell on a Saturday, this transmission should be considered as timely because it is being filed on the next business day.

Applicant's attorney had previously requested an Interview with the Examiner if all claims were not allowed. The Examiner ignored Applicant's request, and rather, in the Office Action dated March 17, 2005 reiterated the arguments she had used previously, and misconstrued Applicant's arguments presented in the response dated March 11, 2004.

Applicant then discussed the need for an Interview in light of the Examiner's application of the prior art with the Examiner's supervisor, and Mr. Sheikh following which an Interview would be held.

Accordingly, Applicant requests, that Mr. Sheikh arrange for an Interview on the case. Applicant can be reached at 610-648-3994 in order to schedule that interview.

Respectfully Submitted,

Dated: September 19, 2005
